MADE IN EL PASO

PRODUCTS ARE THE BEST

The Rheinheimer Lumber Company Is One Of The Most Successful Lumber Concerns In The Southwest

"Yes," said Mr. Rheinheimer, "we have our troubles the same as the rest of the business world. People 'cuss' and discuss the building material men and the lumber companies for high prices. Fact is that we are making less today than three or four years ago. But the potent fact remains that building material will be a long time in going down, and you may as well build your home, or buy an old one and fix it up NOW, as you will find places to live in harder and harder to find as El Paso continues to grow."

The Rheinheimer Lumber company handles a full and complete line of lumber, Certainited Roof Coating, Certainited Roofing

Products, Paint, etc., etc. Their reputation for efficiency, promptness of service, quality of goods, fairness in prices, and reliability in general is unsurpassed. No matter what you want in the lines above mentioned, you will receive the most fair and courteous treatment at The Rheinheimer Lumber company. If you will watch the ads being run on Tuesdays, Thursdays and Saturdays, you will be able to keep yourself in touch with products of merit and to acquire valuable information in the way of buying lumber, roofing, and many other articles of similar character.
